London Swimming is pleased to announce that we are now able to reward Swim21 accredited clubs in London with £300.

The £300 will need to be allocated to help with Swim21 criteria – either fulfilling an element or enhancing one. For example, the £300 could be used to:

- Pay for a person to administer Swim21
- Pay for CPD training of volunteers and/or coaching staff
- Pay to enhance a partnership
- Pay for a swimmer workshop
- Pay for the develop of a website

If you would like to discuss ideas please contact your RDO:

This funding is only available to London Clubs currently accredited to Swim21. Clubs wishing to access this funding will need to do so by 15th February 2007.

If you are a club working on the new Swim21 process then there is no need to panic as this funding is also guaranteed for clubs that successfully accredit to Swim21 during the next financial year of 2007/08.

If you are a multi discipline club (combination of swimming, synchronised swimming, water-polo and/or diving) then you will be able to access an additional £100 for each discipline accredited to Swim21.

To register your interests in Swim21 contact your RDO on the above details.
