

Swimming Officials Courses 2011

Below are the first lot of courses for Judge 1 and Judge 2 in 2011, I will be organising a J2S (starters) course in mid-Kent and a J1 course somewhere nearer London in due course and will organise additional courses as demand dictates.

Each course has been spread across the year to help ensure candidates have time to gain the required number of mentored practical sessions.

The courses will be filled on a first come first served basis (application and payment required to secure a place).

Please apply by no later than 2 weeks prior to your chosen course to

Mrs Carina Enderby, 7 Chart Road, Chart Sutton, Maidstone, Kent, ME17 3RG

Please ensure you write your chosen venue at the top of the form, which can be obtained from www.swimming.org (swimming – officials – officials training) at the following link and that you send it to the address above (currently waiting for the contact details on the form to be altered).
