KCASA Masters & Seniors Short Course Records – First Draft

The process for setting up a long-awaited database of Kent County ASA Masters Records has been as follows:

1. KCASA Masters & Seniors Event Best Times have been used as the foundation for short course records and current SER long course records have been added to the long course ones. No other times have been included so far.
2. Where there is no existing record, base times are shown in red, and any new record must either equal or be faster than the relevant base time. Long course entry times for the XIII FINA World Masters Championships 2010 in Göteborg have been used as the short course base times, and the long course base times are the short course ones plus one second per 50m of distance for each event. The use of base times should encourage the standard of performance, giving us a set of records we can be proud of!

So, what happens now?

1. Kent Masters and Seniors are invited to claim records – either for themselves or for another person - that they believe have been set in the past until 31 December 2011 at which point it will not be possible to claim a record retrospectively
2. A ratified set of records will be issued as soon as possible after 1 January 2012 and these will officially be the Kent County Masters & Seniors Records
3. Records can be claimed by emailing me full details as per the PDF documents attached together with a link to the appropriate set of results on the British Swimming or other appropriate website
4. The only acceptable hard copies will be of written confirmation of records set regionally, nationally, etc although in exceptional circumstances it might be that other evidence will be considered on a case-by-case basis
5. Records can only be set by Seniors and Masters competing in a Masters competition
6. Records can only be set by Seniors and Masters competing for a club that is affiliated to the KCASA
7. Any other issue arising between now and the end of the year that is not covered by the above will be decided upon by myself and the KCASA Swimming Committee
8. When the Kent County Masters & Seniors Records are issued at the beginning of 2012, they will be accompanied by a formal set of regulations for the claiming and ratification of records

And that I think is it! So, go back through all those results sheets for yourself and for Masters who might now be gliding through the big pool in the sky, and stake those claims. You have until 31 December 2011 ... and you know how quickly time flies ...
